MARDS Overview

- **Abstract and objectives:**

The MARDS project addresses one of the most acute problems in Montenegrin and Albanian education systems, the doctoral studies. Its main objective is to reconstruct them in line with Salzburg Principles and establish sustainable and modern Pilot Joint Doctoral Schools between two friendly neighbours partner countries that will serve as an example of “good practice” for the WB Region. At all, **to improve and establish sustainable capacities in field of doctoral studies** in two countries.

The **specific objectives** of the MARDS projects are:

- **to reconsider the existing national policies/standards for doctoral studies** in two countries and their compatibility with EU practices,
- **to develop and propose a new model of doctoral studies in two countries**, adapted to the acquired experiences over past decades and current and future countries’ needs
- **to propose a sustainable method of financing doctoral studies in two countries** on national levels.
- **to establish two Joint Doctoral Schools** "Natural sciences and Technology for Sustainable Development" with place in Montenegro (Podgorica) and “Economy and Tourism for Sustainable Development” with place in Albania (Shkoder) as the recommendable examples of cross-border PhD programmes.
- **to establish a sustainable cooperation** with EU partners and established Doctoral School in order to maintain developed standards.

TO BE
CONTINUED...

The text 'TO BE CONTINUED...' is rendered in a bold, white, 3D-style font with black outlines. The word 'TO' is positioned above 'BE'. The word 'CONTINUED...' is the largest and most prominent. The letter 'C' in 'CONTINUED' is replaced by a graphic of a marker tray containing several colored markers (yellow, green, blue, red, purple) and the text 'MARKERS' on the side. The ellipsis at the end of 'CONTINUED' consists of three small white circles.
